Justice James Patterson
Chairman,
Elections Commission
41 High Street
Kingston, Georgetown

Dear Chairman,

I refer to your letter to me dated 2019.02.21 and to my two letters to you both dated 2019.02.25. I refer, also, to my consultation with the Guyana Elections Commission on Friday, 2019.03.08 at the Ministry of the Presidency.

The consultation was intended to provide me with an understanding of GECOM's work programme which is expected to enable it to deliver credible elections within the shortest possible time.

I now request that the Commission present me with a work programme in the shortest possible time. I emphasise that this is essential to inform me of the Commission's readiness to deliver credible elections in Guyana.

I urge you to present your plans, programmes and financial needs which will guide my proclamation of a suitable date for elections.

Sincerely,

David Granger
President of the Cooperative Republic of Guyana
